

## INDIK™ 2.0 AND ITS NEW WIZARD, AVAILABLE SOON

### PART 1

Stay tuned! The release of INDIK™ 2.0 is imminent! This latest version is equipped with an even more powerful and more intelligent wizard that draws on the full, extraordinary potential of Algorithmic Knowledge Objects (AKO). INDIK™ 2.0 offers an improved wizard that chooses information more effectively. The indispensable INDIK™ 2.0 wizard helps managers make the right decision at the right time so as to optimize their organization's performance. Previous versions of INDIK™ already proved their worth on the dashboard market, in particular thanks to this exceptional algorithm (AKO) and its advanced wizard. With version 2.0, INDIK™ and its superior wizard are exceeding expectations!

Find out more... Clear, meaningful dashboards

The seasoned INDIK™ 2.0 wizard selects the information best suited to a particular business context and specific needs of managers with accuracy and agility. The 1000 dashboards and 8000 metrics included in this leading-edge tool go beyond mere examples. They are based on the highest standards and best practices in a variety of industries. They provide concrete support for daily decision-making. More than ever before, with INDIK™ 2.0, managers can count on an advanced, reliable decision-making tool that is easy to use.
